

DID YOU KNOW?

UTHI BEWAZI?

-  Our weather service – South African Weather Service (SAWS) – gives regular updates about what the weather is doing. **Abesimo sezulu bethu bakaw – i-South African Weather Service (SAWS) – banikeza ngazo zonke inkathi ukuthi isimo sezulu sizokwenzani.**
-  If we know what weather to expect, we can prepare for it! **Uma sesazi ukuthi yisiphi isimo sezulu esingasilindela, singasilungiselela!**
-  Ekurhuleni Disaster Management (EDM) takes the lead when evacuations are necessary and works with other organisations and community members. **i-Ekurhuleni Disaster Management (EDM) ihamba phambili uma kunesidingo sokukhishwa kwabantu futhi usebenzisana nezinye izinhlangano namalungu omphakathi.**
-  When we have severe weather, we must also help our neighbours with sight or hearing or mobility challenges as well as the elderly. **Lapho sinesimo sezulu esibi, kumele futhi sise omakhelwane bethu ngeziluleko, noma zokuzwa noma labo abanezinsalelo noma asebebadala.**

What should you do?

Yini okumele siyenze?

Expect heavy rain and thunderstorms! **Ukulindeleka kwemvula enkulu noma enamandla futhi ehambisana nokuduma!**

-  Go indoors and avoid being out in the open or under trees. **Ungabi ngaphandle kwendlu, ngena endlini ugweme ukuba ngaphansi kwezihlahla.**
-  Stay away from water. **Hlala kude namanzi.**
-  Unplug non-essential electrical equipment from the mains. **Khapha / cisha ama pulaki kagesi uma ungawasebenzisi.**

Heavy rain is coming! **Imvula enamandla iyeza!**

-  Keep storm drains and streets clean all the time so that the water will have a place to flow. **Gcina izindawo zokuhambisa amanzi emigwaqeni zihlanzekile ngaso sonke isikhathi ukuze amanzi abe nendawo yokugeleza.**
-  Move to higher ground – and help others, for example those who can't see or hear or move around easily. If you need help, contact the EDM. **Hamba uye endaweni ephakeme - futhi usize abanye, isibonelo labo abangakwazi ukubona**

noma ukuzwa noma ukuhambahamba kalula. Uma udinga usizo, gxumana nomsizi womphakathi noma i-EDM.

-  Avoid low-lying bridges and streams. **Gwema amabhuloho nemihoshana.**

Expect extremely warm weather! **Ukulindeleka kwesimo sezulu esifudumele kakhulu!**

-  Make sure you drink enough water. **Qinisekisa ukuthi siphuza amanzi anele.**
-  Ensure that others with mobility challenges have enough water to drink. **Qinisekisa ukuthi abanye abanezinsalelo banamanzi anele okuphuza.**
-  Make sure that our animals have enough water. **Qinisekisa ukuthi imfuyo yethu inamanzi anele.**
-  Stay in the coolest part of the house or in the shade. **Hlala engxenyeni epholile yendlu noma emthunzini.**
-  Wear a hat or take an umbrella if you must go outside. **Gqoka isigqoko noma uthathe isambulela uma kumele siye ngaphandle.**
